

HEALTH AND SAFETY POLICY STATEMENT

Evans Rivers and Coastal Limited is a provider of professional hydrological and environmental consultancy services.

We recognise that our operations and activities are applicable to offices and sites where hazards may exist.

The company is committed at all times to identify and manage risks to its employees and others arising from its business activities in order to prevent injury, ill health or death.

Policy Objectives and Commitments

1. To communicate this policy, procedures, actions and performance to our employees and external stakeholders through appropriate forums and consultation and encouraging participation in accident prevention.
2. To ensure that employees and employers are aware of their obligations and responsibilities under the company's procedures and Health and Safety at Work Act 1974.
3. To ensure adequate financial and human resources are provided to employees together with effective and appropriate safety methods and equipment to conduct their work in a safe environment.
4. Commit to full health and safety legal compliance in all aspects of the company's activities; meeting *as a minimum*, all relevant legislation and approved codes of practice.
5. To influence the supply chain and third party operations by promoting health and safety awareness and expect similar high health and safety performance from all suppliers and contractors.
6. Deliver services that will have a consideration for health and safety throughout the project life cycle.
7. To assess, manage, monitor and review operations and activities and regularly review (at least yearly) and adapt, if necessary, health and safety procedures.

This policy is subject to regular review and has the full support of senior management. This policy is published on the website at www.evansriversandcoastal.co.uk. Copies of the policy can be made available to all stakeholders upon request by contacting enquiries@evansriversandcoastal.co.uk or 08453 942744.
